LIFE PROJECT

SHG Leaders Training

SHG Leaders Trainings were organized on 26.07.2022 at Gandhinagar KCC and Dharapuram KCC in which 58 and 37 members participated respectively. Mr. Selvadevan, Project Manager and Mr. Karikalan, Fundraiser were the resource persons for the programs. Participants expressed that their confidence had increased and they were able to develop themselves after joining SHGs. They also ensured their complete support for SPWS.

Staff Exposure Visit

An exposure visit to staffs was organized on 27.07.2022 at Don Bosco Vembu, Kovilpatti in which 8 staffs participated. The visit was aimed at creating an exposure in building children parliament. The formation of children parliament was explained in the program. Importance of participation and involvement of children at various levels such as village, panchayat, district, state and national was also explained. The staffs could also witness a live children parliament at one of the villages nearby.

WaSH PROJECT

The team conducted 4 WaSH Trainings for 111 students from various schools. The trainer taught about importance of hand wash and how to wash our hands through activities. After completing the training the staff members distributed soap, sanitizer and masks to the students.

On 29.07.2022 Training was given to the members of WaSH club in PUMS Bettathapuram by PCO. WaSH clubs are usually formed in targeted schools for the sustainability of the project. The trainer selects WaSH club members in each school and provides trainings to them. The WaSH club members then conduct WaSH trainings to their classmates, friends and neighbours.

The team conducted two SMC Trainings in PUMS Bettathapuram, Neelampathi and Kanuvai in which the SMC members participated and discussed about school development.
