EVENT

# Rojakootam 2022

NMCT's 15th Rojakootam Day Celebrations was held on 29.05.2022 at Sri Srinivasa Hall, Tirupur. More than 600 children along with prominent personalities from industries, NGOs and government participated in the program. The objective of the program was to provide educational support – education materials and higher education – for destitute and deprived children including children infected by HIV/AIDS, tribal children and other children who are part of the projects undertaken by NMCT. Bags with notebooks, stationeries and dictionaries were distributed in the program by special guests.

## APEX MEETING

NMCT staffs along with trainers from JOBA (John Britto Academy) participated in an APEX meeting discussing on the future prospects of NMCT. Annual Report, creation of a documentary and strategic planning were the major topics discussed in the meeting. The discussion primarily focused on the changes that could have been brought in the organization in every aspect.
