

2006 - 2007

Community Driven approach to address the feminisation in HIV / AIDS in India, 100 NGOs Program & Trade Union Leaders (TUL)

The Community Driven project was implemented in Periyanaickenpalayam Block involving 8000 women and adolescent girls. The training on Sexually Reproductive Health (SRH) to the adolescent girls and women were imparted.

Under the 100 NGOs project Training was inculcated to the representatives from 100 NGOs on the projects of Prevention of STI, HIV / AIDS.

Sensitization to 1500 Trade Union Leaders (TUL) had been conducted with a view to have better linkages with the Industrial Workers and also with the Management to implement the various project interventions. A State Level Communication Campaign was Launched at Coimbatore by NMCT in association with APAC VHS.
